Confirming your account in the Union Database

1

It is the role of the Voluntary Schemes to register Economic Operators and Certification Bodies within the Union Database (UDB).

For the Economic Operators, 2BS has created, within the Private Area of [our website](#), a Union Database Lead User field, so each organism can indicate the collaborator to be added to the UDB.

Once 2BS creates the person's profile, he /she will receive the following email to start your registration process:
